

Aran Stitch Pattern Calendar

Thank you to members who signed up during our meeting in December. There are a couple of months that someone could sign up for if you were not at the meeting.

First off, you do not need to knit up the stitch pattern. Just look the stitch pattern up on the web, in books, or magazines to find what it represents. Once you've found some information, please share it with Su Fennern so that she can get it on the pattern page for the stitch. Then at the monthly meeting where your stitch pattern is handed out, please share what you found out.

Please send by email your information by the first of the month for your stitch pattern to: Su Fennern - k2skeezi@comcast.net.
