JANUARY 2023

## December 2023 Meeting

Our last meeting of the year was led by Program Coordinator Marcia Smith. After welcoming members and guests, she highlighted several upcoming events, including Magic at the Mill and the Filaments Traveling Show exhibit at the Mill until January 31. This juried 47-piece exhibit features textiles from 24 different weavers.

This month concluded our year-long project of mini sweaters which were shown in a trunk show and adorning a small Christmas tree.

Just a reminder to renew your dues for 2024. Visitors may attend two meetings before joining. The dues are \$30 a year and pay for the room rental, renting a mailbox, stamps, business cards, and a few other supplies. Janet Bubl has the membership forms and is collecting the dues as a check or cash. Thank you for your support of the Salem Millstream Knitting Guild. A roster of members will be emailed after the February meeting.

## Temperature Knitting Projects

**Cindy Barrick** showed her “temperature scarf” she has been knitting this year and explained how she chose the yarn and colors for each temperature range, a 10-degree range.

**Tia Purdy** then showed her temperature blanket that will be used on her queen-sized bed in her camper. She suggested anyone interested try a smaller project!

## January 13 Meeting

Judith Bither will tell the secret of how a group of mostly retired women saved a small yarn shop in Northern California and turned it into a thriving, destination yarn shop.

Our new Guild President, Joyce Arthur, has announced a Board meeting immediately following the meeting. All Guild members are invited to attend.

## Happy Birthday!
